### POLITICAL ANNOUNCEMENTS.

HAYS, Kan., Jan. 30, 1914

#### To the Voters of the 23rd Judicial District of Kansas:

I am a candidate for nomination for the office of Judge of the District Court of the 23rd Judicial District of the State of Kansas, subject to the primary election to be held on the first Tuesday in August, A. D. 1914. Under the non-partisan judiciary law I respectfully solicit the support of all voters.

HARRY LEWIS PESTANA.

I am a candidate for Judge of the Twenty-third Judicial District of Kansas, subject to the action of the voters of the district at the August primary, 1914, as provided by the non-partisan judiciary ballot law.

L. B. BEARDSLEY.

#### A Buffalo for Hays Normal.

Through the instrumentality of C. W. Miller, and the public spiritedness of Axel Cochran and C. W. Miller, Jr., of the Citizens State bank, this city, and by the consent of Prof. Lewis, a fine specimen of the American bison has been purchased from the Philip herd of Buffalo, at Pierre, South Dakota. The animal will be killed Saturday of this week. The hide will be shipped to the Kansas University and properly mounted, after which it will be brought to Hays and placed in the Western State Normal museum along with the valuable collection of birds and smaller animals which has been donated to the Normal by C. W. Miller, Sr. The C. W. Miller collection outside of the one owned by the state is probably the most valuable in the state, and when properly housed and tidied up and with the buffalo, will be worth going many miles to see. C. W. has certainly done a great thing for the Normal.

#### Obituary.

Mrs. Mary Jones Dale, wife of Wm. Dale, died at the home of her daughter Mrs. A. S. Hale of this city, Wednesday, January 28, 1914, after a long illness.

She was born October 29, 1843 at Athens, Ohio, and was married to Wm. Dale in 1862. Five children were born to this union: Dr. John R. Dale of Hobart, Oklahoma, Mrs. Elsie Worstell, of Big Sandy, Montana, Mrs. Florence M. Hale, wife of Rev. A. S. Hale of this city. Two of her children preceded her to the unknown. Her husband died in 1907.

She became a member of the Methodist Episcopal Church in early life, and remained steadfast in the faith to the end.

She was a graduate of the Platteville, Wisconsin College and a great student and teacher. She has been sick for the past twelve years, suffering greatly at times. The family have the sympathy of a large circle of friends in Hays in their sad bereavement.

Her remains were taken to Iowa for burial, accompanied by Rev. and Mrs. Hale.

### DIED.

Henry Eichbusch, an old citizen of Hays passed away last Sunday evening, having attained the age of 71 years. A couple of months ago he was taken to a Kansas City hospital in hope that an operation would save or at least lengthen his life, but his malady was such that nothing could be done for him. After a week in the hospital he was brought back to Hays and removed to the home of his sister, Mrs. D. Bellman, where he died.

He was born, October 14, 1842 in Hanover, Germany. He came to the United States in May 1872, settling in Cincinnati, Ohio. In 1889 he came to Hays, Kansas, where he lived until the time of his death. The funeral was held in the Lutheran church.

#### A Bachelor Party.

B. G. Sites visited John and Tom Farrell of Pleasant Hill township, for several days recently, and one evening during his stay, the following friends of the Farrell boys surprised them by calling in a body and bringing all kinds of good things to eat.

Jim Groff, Charles James and Joseph Kearney, Elmer Solomon, Louis Johnson, Clarence and Fred Higgins, S. E. and Lisle Freshour, Ben Hicks, of McCracken; John Gatewood and a young man, a friend of the Gatewoods; Ira Peet, Oscar Smith, Jay Smith, Tom, Vergil, Min. and Robert Moore.

It was a regular "stag party"—not a woman in sight. A jolly evening was spent, and Bake says he had the time of his life.

#### Interesting Newspaper Relics.

Wednesday afternoon of this week, C. W. Reeder showed the writer two papers that were over a hundred years old. The first one was Dunlap's Pennsylvania Packet, bearing date of Monday, July 8, 1776, and the other one, "The Boston Gazette and Country Journal," was dated Monday, March 8, 1770. In Dunlap's Pennsylvania Packet we found the following political announcement:

Williamson, (Virginia,) July 4, 1776

"Yesterday the honorable Convention made a choice of the following Gentlemen to represent this dominion in General Congress for one year, viz: George Wyle, Thomas Nelson, Jr., Richard Henry Lee, Thomas Jefferson, and Francis Lightfoot Lee, Esquires.

The papers were neatly printed and set in Brevier type, now called 8 point. The headings were mostly set in light-face capital letters, and there were no display advertisements, which would suit some of our twentieth century readers. The papers were quite interesting and well worth perusing.

The Ellis-Trego county Fair Association met at Ellis last Saturday, Jan. 24th. The organization was perfected and a charter applied for. The people of Ellis are always to the front. There are a number of enterprising business men in that burg that evidently don't believe in "hiding their light under a bushel."

Last week, at Denver, Colorado, Axel Cochran sold 83 head of Short Horn cattle at private sale, 42 of them were less than six months old. The bunch brought the tidy sum of \$10,780. They were bred and raised on the Cochran ranch on the Saline river in Ellis county. He also contracted to sell, this fall, at a fancy price, all the bull calves the herd will produce. Mr. Cochran and wife and his father, C. G. Cochran, returned Sunday morning.

Come out to "The Dictator" next Friday and enjoy a real laugh besides helping the young people in their efforts to do something for the public welfare.

Wallace county is going to vote bonds for a court house to cost \$30,000. It is about time the people of that county had a court house. The building the county officers have been occupying for years and years, and then some, looks like 80 cents, and would bring about that amount at sheriff sale. We congratulate the people of Wallace county on their awakening.

Yellow fever threaten Col. Bowie, American consul to San Manana, and his young bride. "The Dictator" frees them from danger. Normal auditorium, Feb. 7.

A young man by the name of Meeker who was in the employ of Clarence Kinsley, died suddenly Sunday morning while operating a milk separator. He complained of feeling bad, stepped back from the separator and fell dead. A coroner's jury was called who pronounced his death caused from heart failure. His body was taken to Gorman in an automobile and buried by the side of his father who had preceded him to the spirit world several years ago.

Brooke Travers and valet escape the New York police to fall into greater dangers in South American revolutions. See it in the "Dictator," Feb. 6th.

Stret Cox and Clem Wilson of Hays, and Robert Cox of Voda, last week went to Ochiltree, Texas, on a business and pleasure trip. They saw some fine country and found several business openings. On their return trip they left Ochiltree, Monday morning at 6 o'clock and arrived home at 10 o'clock that night, a distance of about 300 miles. That was going some. The trip was made in a 30 h. p. '10 Buick.

Last week G. M. Cox, in order to try the efficacy of the parcel post, sent a 50 pound sack of flour to his sister, Mrs. Van Marston, who lives thirteen miles south of Grinnell on a rural route. The flour arrived all o. k. at its proper destination, and in about forty-eight hours afterward, G. M. received from his sister, a meat pie, sent through the same agency. The pie arrived on his birthday and he immediately proceeded to celebrate. However, he failed to tell his age.

In the Eichbusch estate the widow gets the house she lives in, the son Andrew gets the house in the southeast part of town and the daughter, Emma Carrie, gets the 160 acre homestead in Buckeye township.

The Hays people in California are finding that country has its drawbacks as well as Kansas. They have been having heavy wind and storms out there this year, while here in sunny Kansas we are enjoying almost May weather.
